Action 1R

The Action 1R is an entry level wheelchair that doesn't compromise on functionality. Built using decades of in-house design experience, the Action 1R is available in transit and self-propelling versions in three sizes. The removable, swing away armrests are easy to remove and the armpad can be used in two positions.

Features

With years of experience and using tried-and-tested technology, the Action 1R is a reliable partner, the one you can count on.

The optional Eco elevating legrests provide extra comfort for users.

Optional cane holder can be mounted to securely hold a cane or crutches.

Dynamic anti-tippers provide extra safety on slopes or when backrest is reclined.
